Kindergarten Gradual Entry September 2021

We are excited to welcome the children into our school in September! Please see the dates and times below for information on gradual entry. This is subject to change if necessary to keep in line with provincial health guidelines due to the pandemic.

On Friday, September 10, please bring your child to school at the time and location indicated below.

- In order to limit the number of people gathering in one spot, we ask that only **one parent** come on the school grounds with their child.
- The children can line up in the fenced area if they are comfortable. If not, they wait with their parents just outside the fenced area.
- Parents, please wait on the outside of the fenced area and wait until the teacher arrives and takes the children inside before you leave.
- One of the administrators will be outside to answer questions from parents while the children are inside the school. If you don't have any questions, you are free to leave.
- Please pick up your child at the indicated time at the same spot you dropped them off.

No kindergarten classes September 7, 8 or 9.

Friday, September 10 *Please send your child with a snack.*
