LOOSE PARTS PLAYGROUND – ‘CRÉACTIVITÉ’ – TIDY your home and SUPPORT our school!

Our amazing Loose Parts Playground needs more ‘odd and ends’ to support creative play in our courtyard area. Mme Denise will be helping with this. Objects can be brought to the middle school entrance before or after school. Please ask for Mme Denise to have a look at the items to make sure they are OK for the playground.

Contact Mme Denise: ddrouin@sd62.bc.ca – she can tell you if its an appropriate / safe object.

Items crossed off: we have enough of these for now.

Last Week's News

Pack-in/Pack-out – Let's RECYCLE!

We ask that all students bring home their uneaten fresh food and any packaging. This is a way to recycle everything we can – a positive lesson for us all and a way to support our environment. We want all plastic wraps, yogurt containers, half-eaten sandwiches etc. to go home where they can be recycled. THANKS!

RAINY days are on their way!

We are proud to inform you that our students play outside as much as possible, even in the rain and snow. It's usually the adults that find it difficult to be out in the rain, not our students. Please send your student to school with clothing that suits the weather. There is no such thing as bad weather, just bad clothing!

Early Pick Up at School or During Instructional Time

If you need to pick up a child during the school day:

- Inform the classroom teachers by email well **BEFORE** the day (teachers don't typically have time to read email during the day - they are too busy teaching your child!) (Staff emails can be found on the school website under "Staff")
- Park near the bus loop on College Road and walk up the stairs to the **main entrance door in the middle school lobby**, (*staff parking lot entrance side of the school*).
- **All parents must report to the office to sign out their child(ren)**
- For safety, we need to see your face before we release your child to you.
- Thank you in advance for giving extra time for this procedure to happen safely.
- Please be mindful of recess and lunch times as it may be difficult to locate your child quickly in the school yard.

Students Walking Home for Lunch Time

- If you authorize your child to walk home for lunch, please fill out [this form](#) and return it to the office. Please remind your child they must still sign in and out of the office every day for safety protocol.
- **All students leaving during the day must be signed out through the office with parent permission.**
